To meet the different health care needs of members and dependents who are away from home, your plan offers Guest Membership. This program, also known as Away From Home Care, provides benefits for covered family members who have extended stays outside their plan's service area.

The following states participate in the Guest Membership program.*

What is Guest Membership?

Guest Membership allows members to be "guests" of a participating Blue Cross and Blue Shield HMO while away from their home service area for 90 consecutive days or more. Guest Membership ensures you have ongoing access to contracted health care providers.

Call Anthem Blue Cross Guest Membership program at 1-800-827-6422. They have everything you need to get started:

- Verify provider availability in the area where you'll be.
- Request a Guest Membership application.
- Get help in submitting your *Guest Membership* application and answers to any questions you have along the way.

^{*} These states may have regions that are not covered. Therefore, applicants can still be denied coverage if the region within the guest state does not have Away From Home Care (AFHC) providers.
